

You're invited to...

CONNECTIONS 2004

A Conference for Blue Bear Software Users

This year we connect again for our 9th Annual User Conference at the beautiful Town & Country Hotel in San Diego, CA. Like years past, CONNECTIONS will be two full days filled with information and fun, with an optional third day reserved for hands-on training classes.

Join us for adventures in the "Wild Wild West" as we all come together for some line dancing, gambling in a honky tonk saloon and some mighty good grub. See 'ya there, pardner!

March 24 - 26, 2004

Town & Country Hotel
