

# B3: BIG PICTURE TRACKS FOR THE NON-USER

CONNECTIONS 2005

# WELCOME TO TRACKS

- Introductions
- If you have questions not covered:
  - Write them down on a Questions Form and drop in a Connections Box
  - Ask them at Round Table Discussion

CONNECTIONS 2005

# CLASS OBJECTIVE

The Big Picture breakouts are meant as overviews of our program features not as “training” sessions like our Hands On Training.

Users will see a demo of the features outlined, but due to limited time, a lot of the details on how some things were set up will not be reviewed. Specific detailed breakout sessions will be referenced during these sessions for more information.

# AGENDA

- The daily flow – what happens every day
- Work Screen – making sales
- Customer Maintenance – students/staff
- Item Maintenance – things you sell
- Making different kinds of sale
- Daily Closeout
- Reports and form Letters
- BarMaster
- Backups
