

B5: BIG PICTURE SCHOOLBOOKS FOR THE NON-USER

CONNECTIONS 2005

WELCOME TO SCHOOLBOOKS

- Introductions
- If you have questions not covered:
 - Write them down on a Questions Form and drop in a Connections Box
 - Ask them at Round Table Discussion

CONNECTIONS 2005

CLASS OBJECTIVE

The Big Picture breakouts are meant as overviews of our program features not as “training” sessions like our Hands On Training.

Users will see a demo of the features outlined, but due to limited time, a lot of the details on how some things were set up will not be reviewed. Specific detailed breakout sessions will be referenced during these sessions for more information.
